

LUTY W ŚWIETLICY

A photograph of four bee-eaters perched on a dark, textured branch. The birds have vibrant green bodies, yellow-orange chests, and reddish-brown heads. They have long, dark, pointed beaks. The background is a soft, out-of-focus green. A white text box with a thin green border is overlaid on the image, containing the title.

MISJA DOBRY UCZYNEK

A close-up photograph of several donuts arranged on a dark surface. The donuts feature a variety of glazes including pink, yellow, blue, brown, and grey. Many are topped with different types of sprinkles: purple, yellow, brown, multi-colored, blue, and white. The lighting is soft, highlighting the textures of the frosting and sprinkles.
